Answer 3a

Calculations in the books of Electro Drive Ltd. (Lessor)

Net Investment = PV of lease Payment + PV of Unguaranteed Residual value

= (18,06,560 × 3.17) + (4,00,000 × 0.683)

= [60,00,000] (approx.)

Revenue = PV of lease Payment

= 18,05,560 × 3.17

= [57,26,795] approx.

COGS

= 2,000 + 57,26,795 + 45,00,000 − 60,00,000

= [4251795] approx.

3aStep1
4.5 Marks

Note: If Amts are rounded off for Revenue & COGS

Revenue = 57,25,000

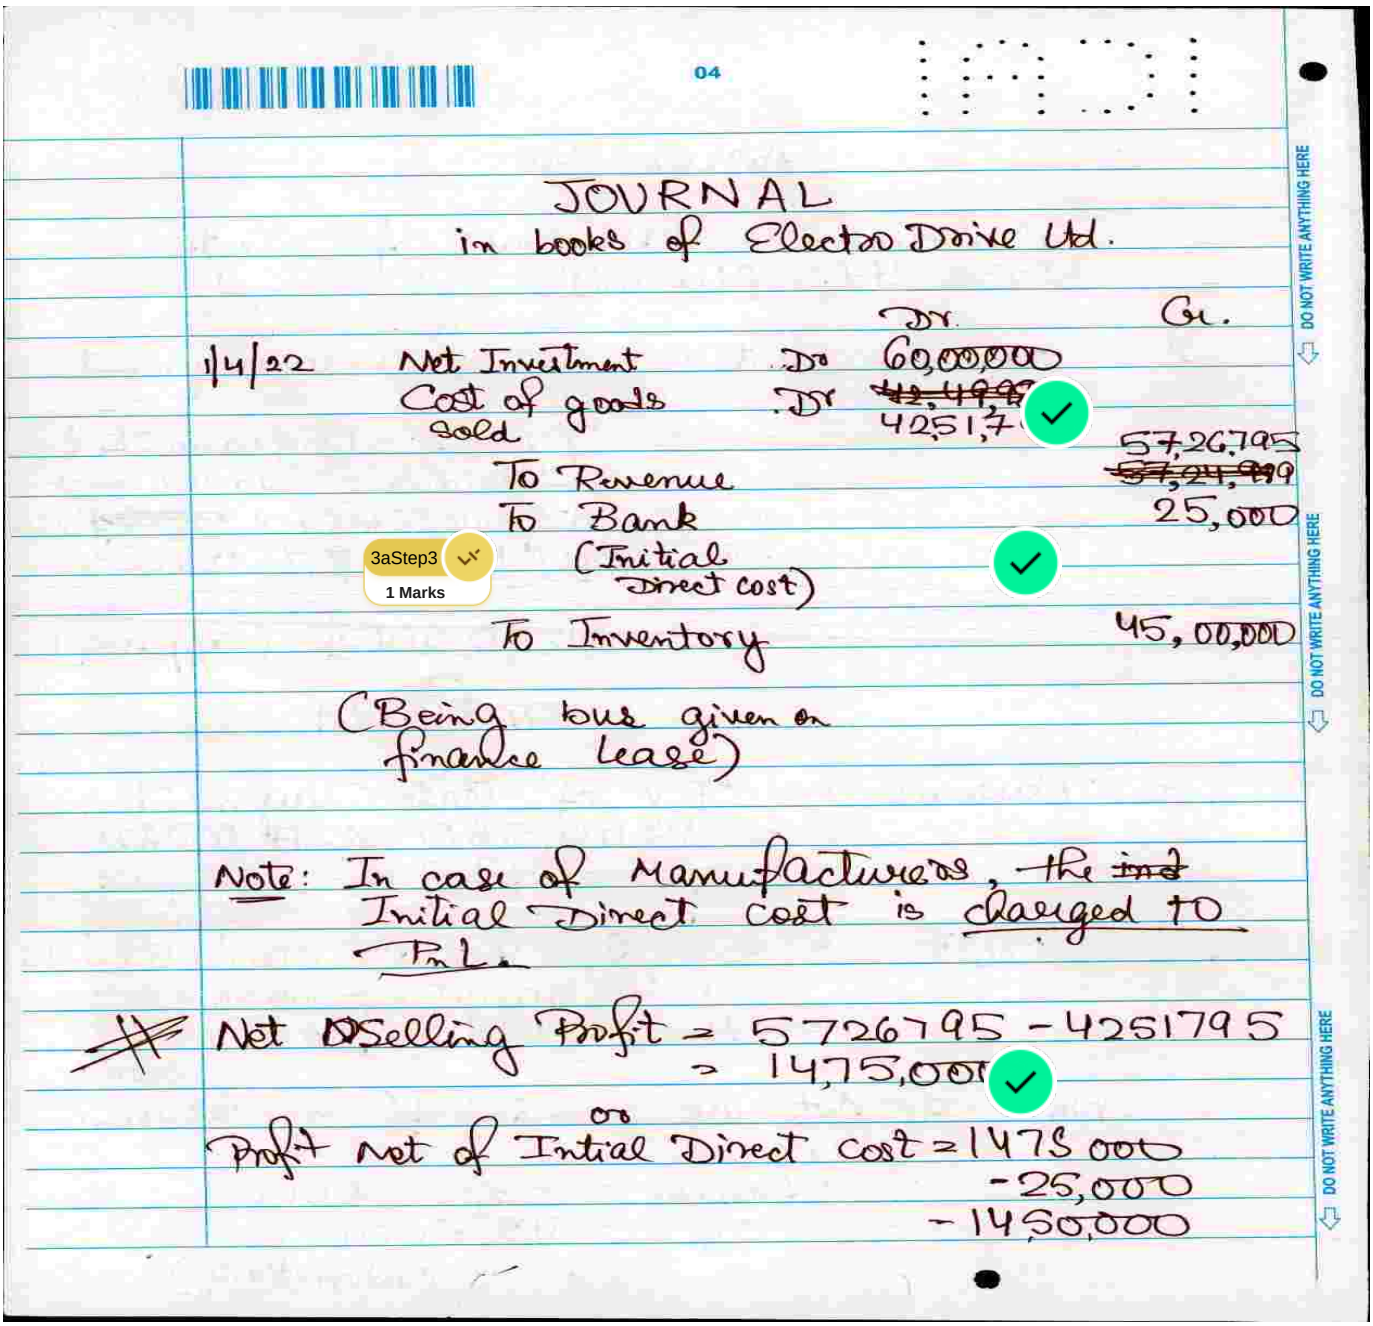

COGS = 42,50,000

(alternatively)

06

Answer 3b

As per [IND AS 108] Operating Segments

Reportable Segments are those segments which contribute atleast 10% of Total Revenue

Segment	Total Revenue	Percentage
L	55,00,000	28.65%
M	13,00,000	6.77%
N	19,00,000	9.90%
O	105,00,000	54.68%
	192,00,000	

Segment L & O qualifies the above criteria ✓ ✓

Moreover, the Reportable Segments should atleast cover 75% of External Revenue.

i.e.

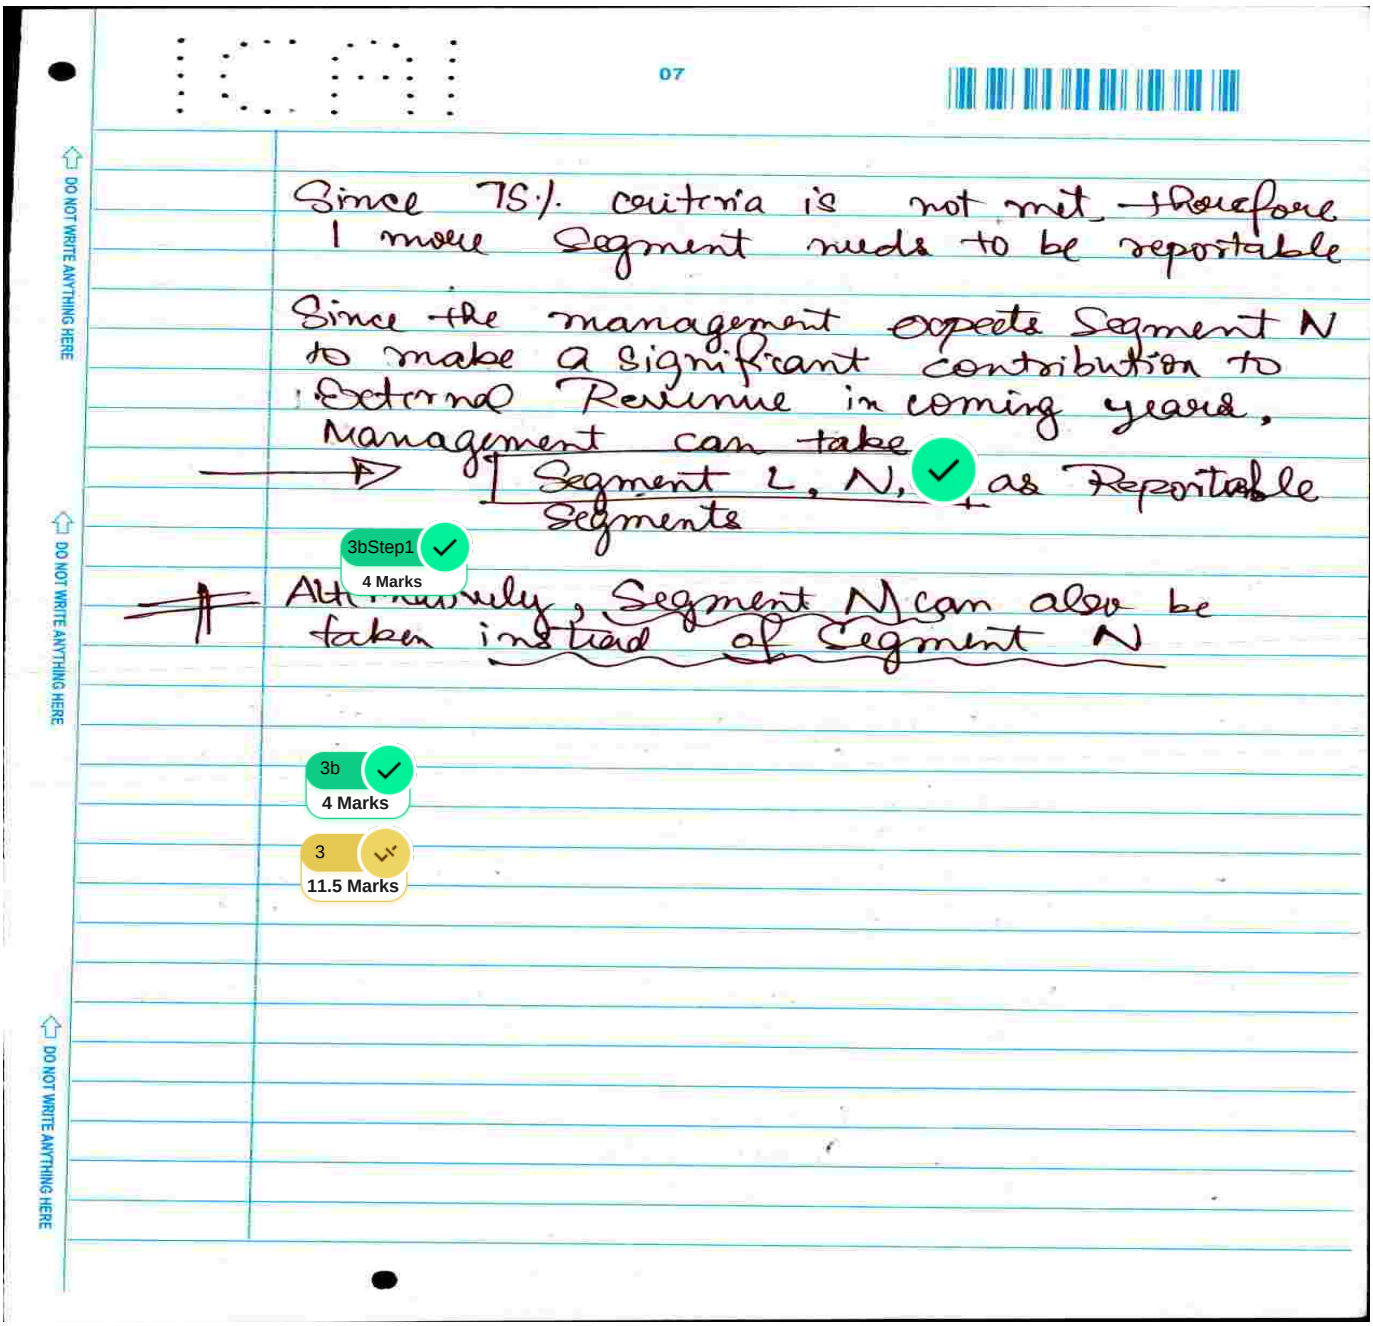

~~55 lac + 105 lac~~
~~192 lac~~

$= \frac{52 + 9}{82 \text{ lac}} = 74.39\%$ ✓

DO NOT WRITE ANYTHING HERE

DO NOT WRITE ANYTHING HERE

DO NOT WRITE ANYTHING HERE

07

Since 75% criteria is not met, therefore 1 more Segment needs to be reportable

Since the management expects Segment N to make a significant contribution to External Revenue in coming years, Management can take

→ Segment L, N, ✓ as Reportable Segments

3bStep1 ✓ 4 Marks

Alternatively, Segment M can also be taken instead of Segment N

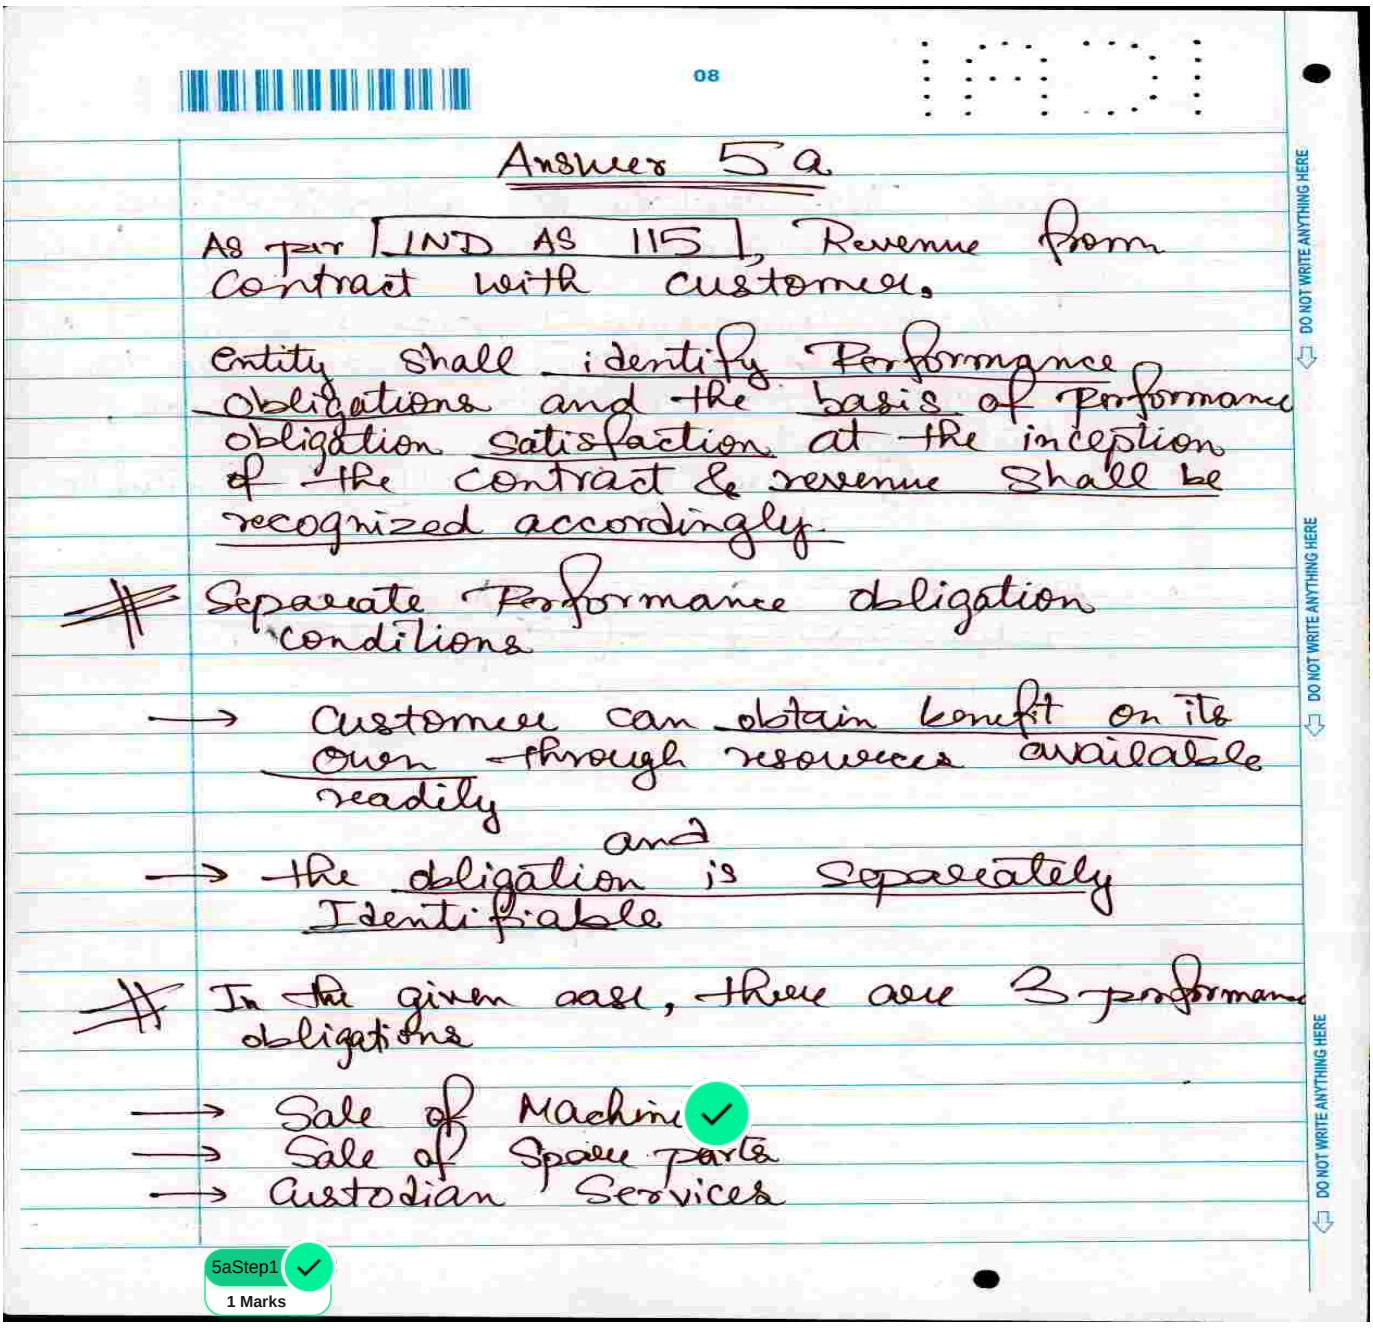

3b ✓ 4 Marks

08

Answer 5 a

As per [IND AS 115], Revenue from Contract with customer.

Entity shall identify Performance obligations and the basis of performance obligation satisfaction at the inception of the contract & revenue shall be recognized accordingly.

Separate Performance obligation conditions

→ Customer can obtain benefit on its own through resources available readily

and

→ the obligation is separately Identifiable

In the given case, there are 3 performance obligations

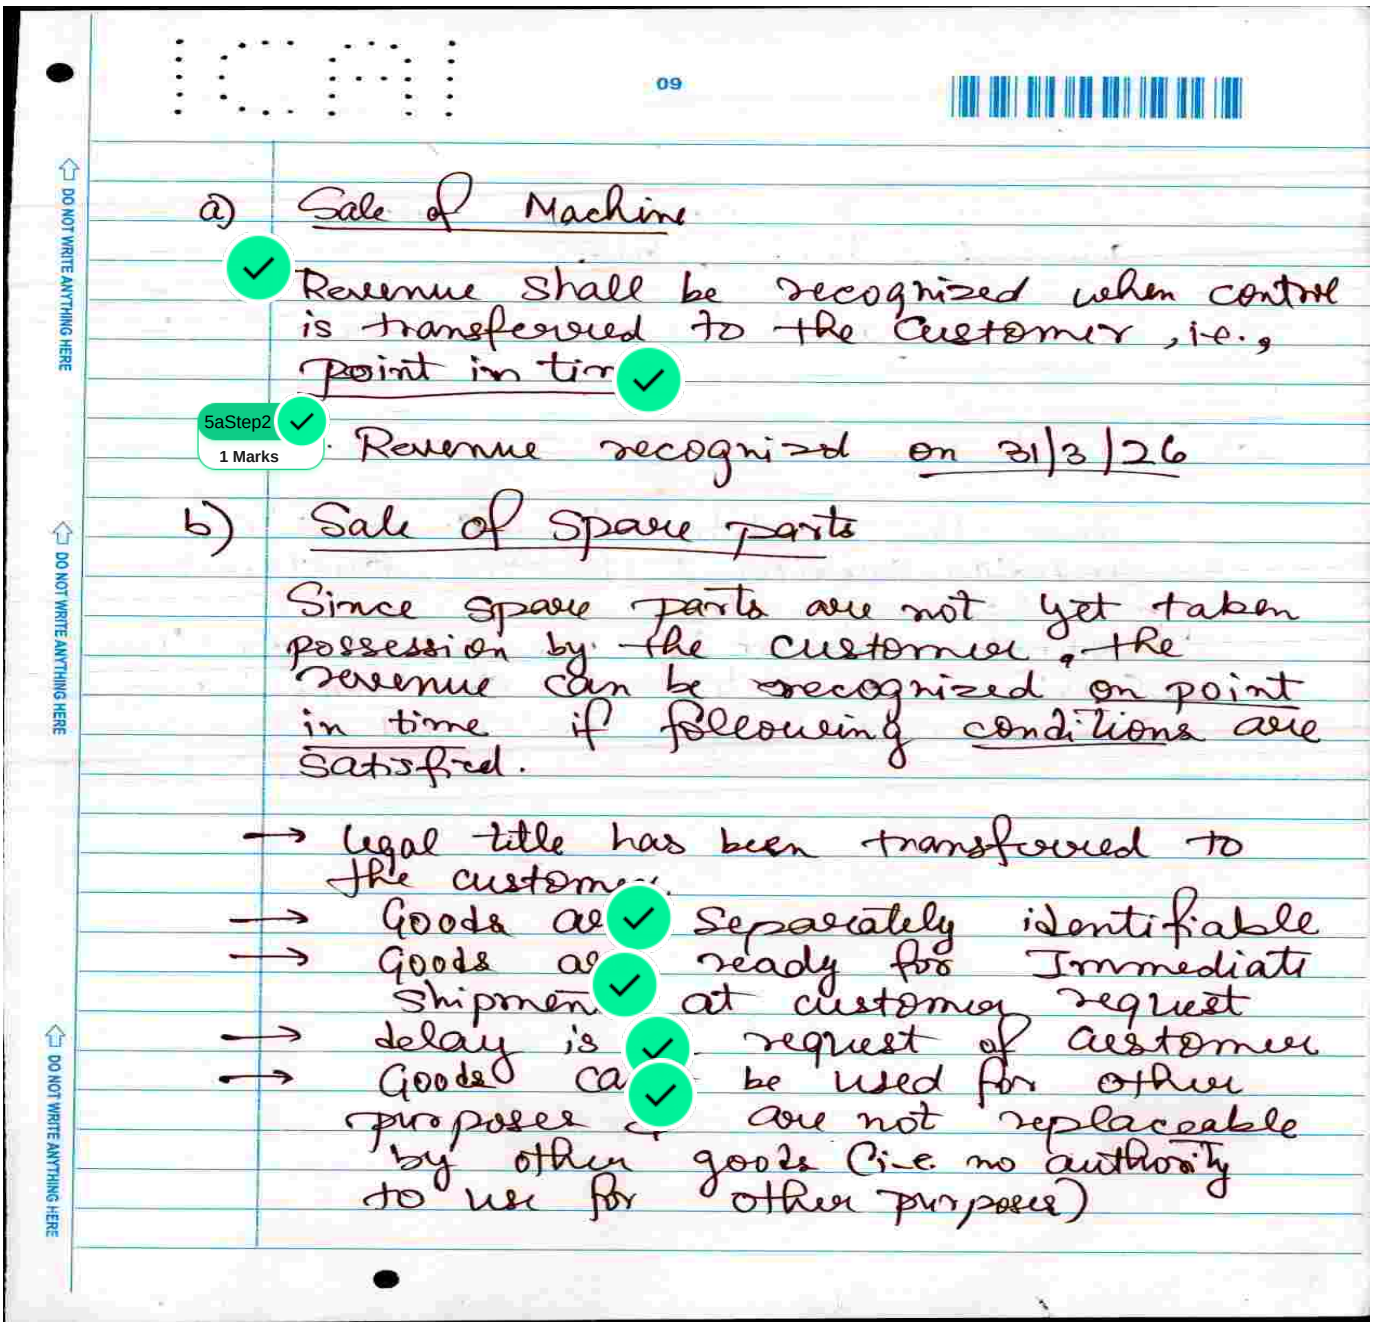

→ Sale of Machine
→ Sale of Spare parts
→ Custodian Services

5aStep1
1 Marks

DO NOT WRITE ANYTHING HERE

DO NOT WRITE ANYTHING HERE

DO NOT WRITE ANYTHING HERE

09

a) Sale of Machine

Revenue shall be recognized when control is transferred to the customer, i.e., point in time

5aStep2
1 Marks

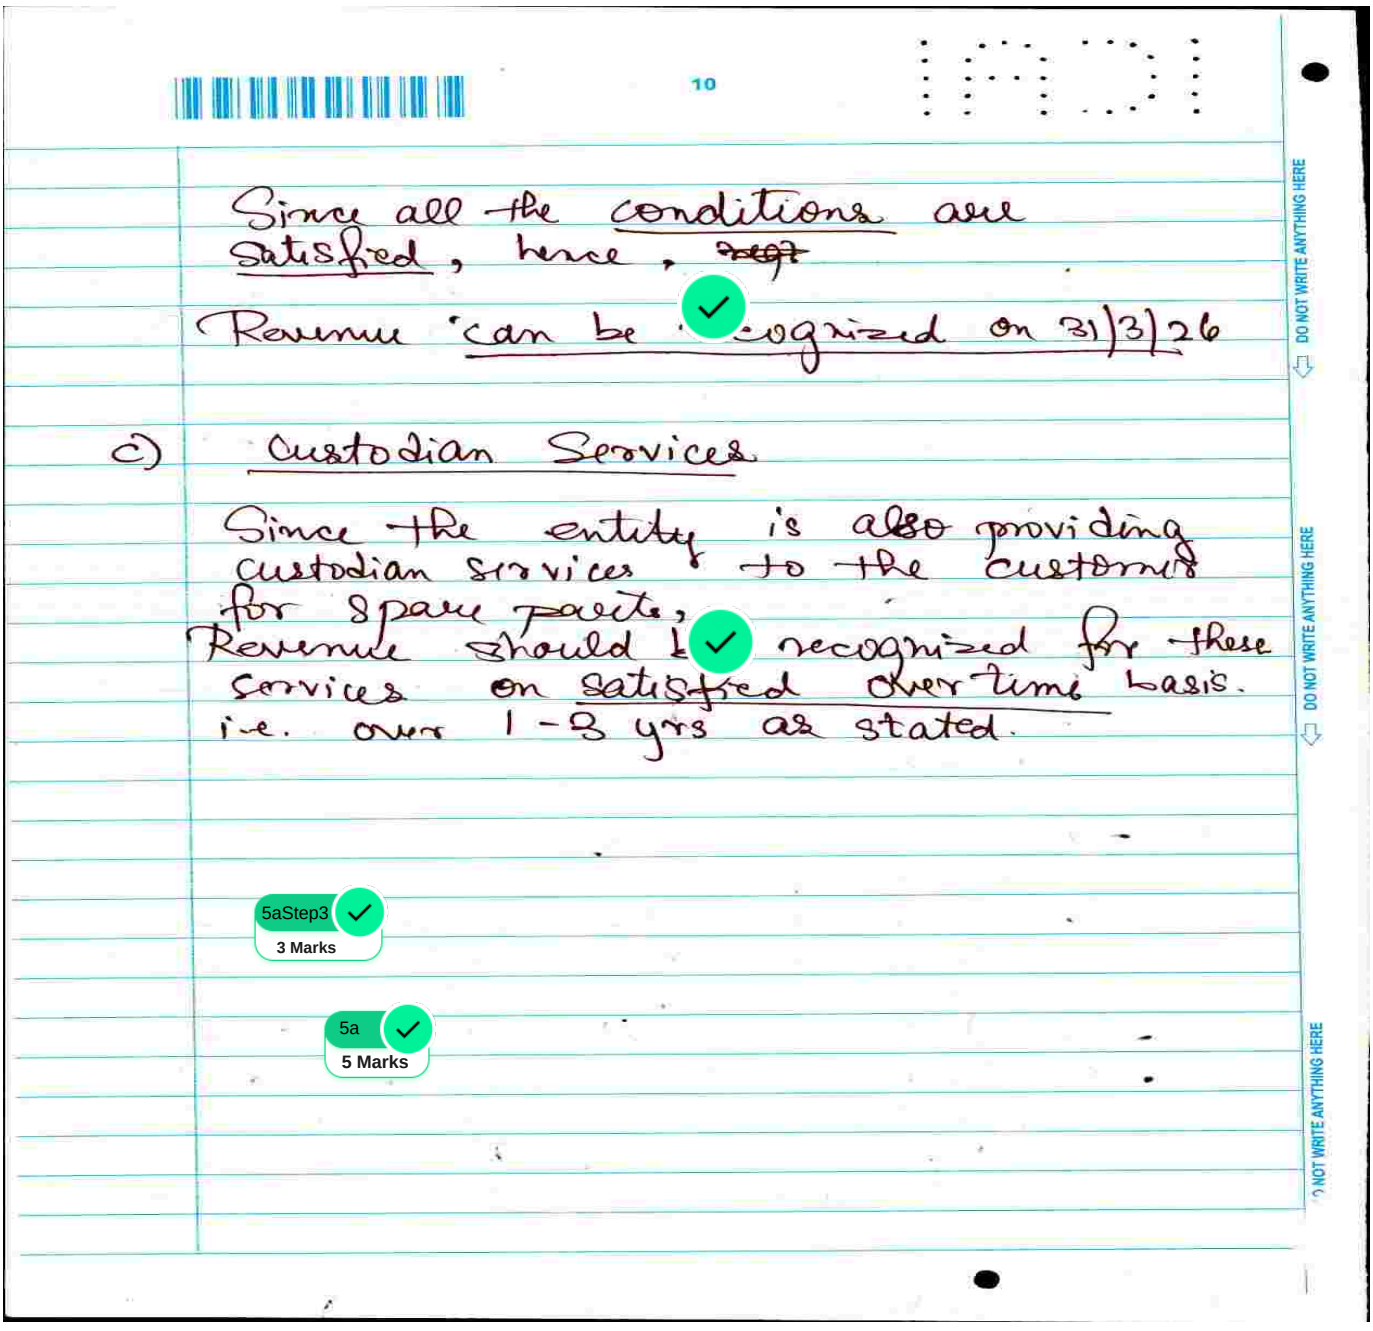

Revenue recognized on 31/3/26

b) Sale of Spare parts

Since spare parts are not yet taken possession by the customer, the revenue can be recognized on point in time if following conditions are satisfied.

→ Legal title has been transferred to the customer.
→ Goods are separately identifiable
→ Goods are ready for Immediate Shipment at customer request
→ delay is request of customer
→ Goods can be used for other purposes (i.e. are not replaceable by other goods (i.e. no authority to use for other purposes)

DO NOT WRITE ANYTHING HERE
DO NOT WRITE ANYTHING HERE
DO NOT WRITE ANYTHING HERE

10

Since all the conditions are satisfied, hence, ~~recg~~ Revenue can be recognized on 31/3/26

c) Custodian Services

Since the entity is also providing custodian services to the customers for spare parts, Revenue should be recognized for these services on satisfied over time basis. i.e. over 1-3 yrs as stated.

Answer 5C (Alternative 1)

Enhancing Qualitative characteristics of financial information according to IND AS:

- Understandable
- Comparable
- Verifiable
- Timeliness

a) Understandable

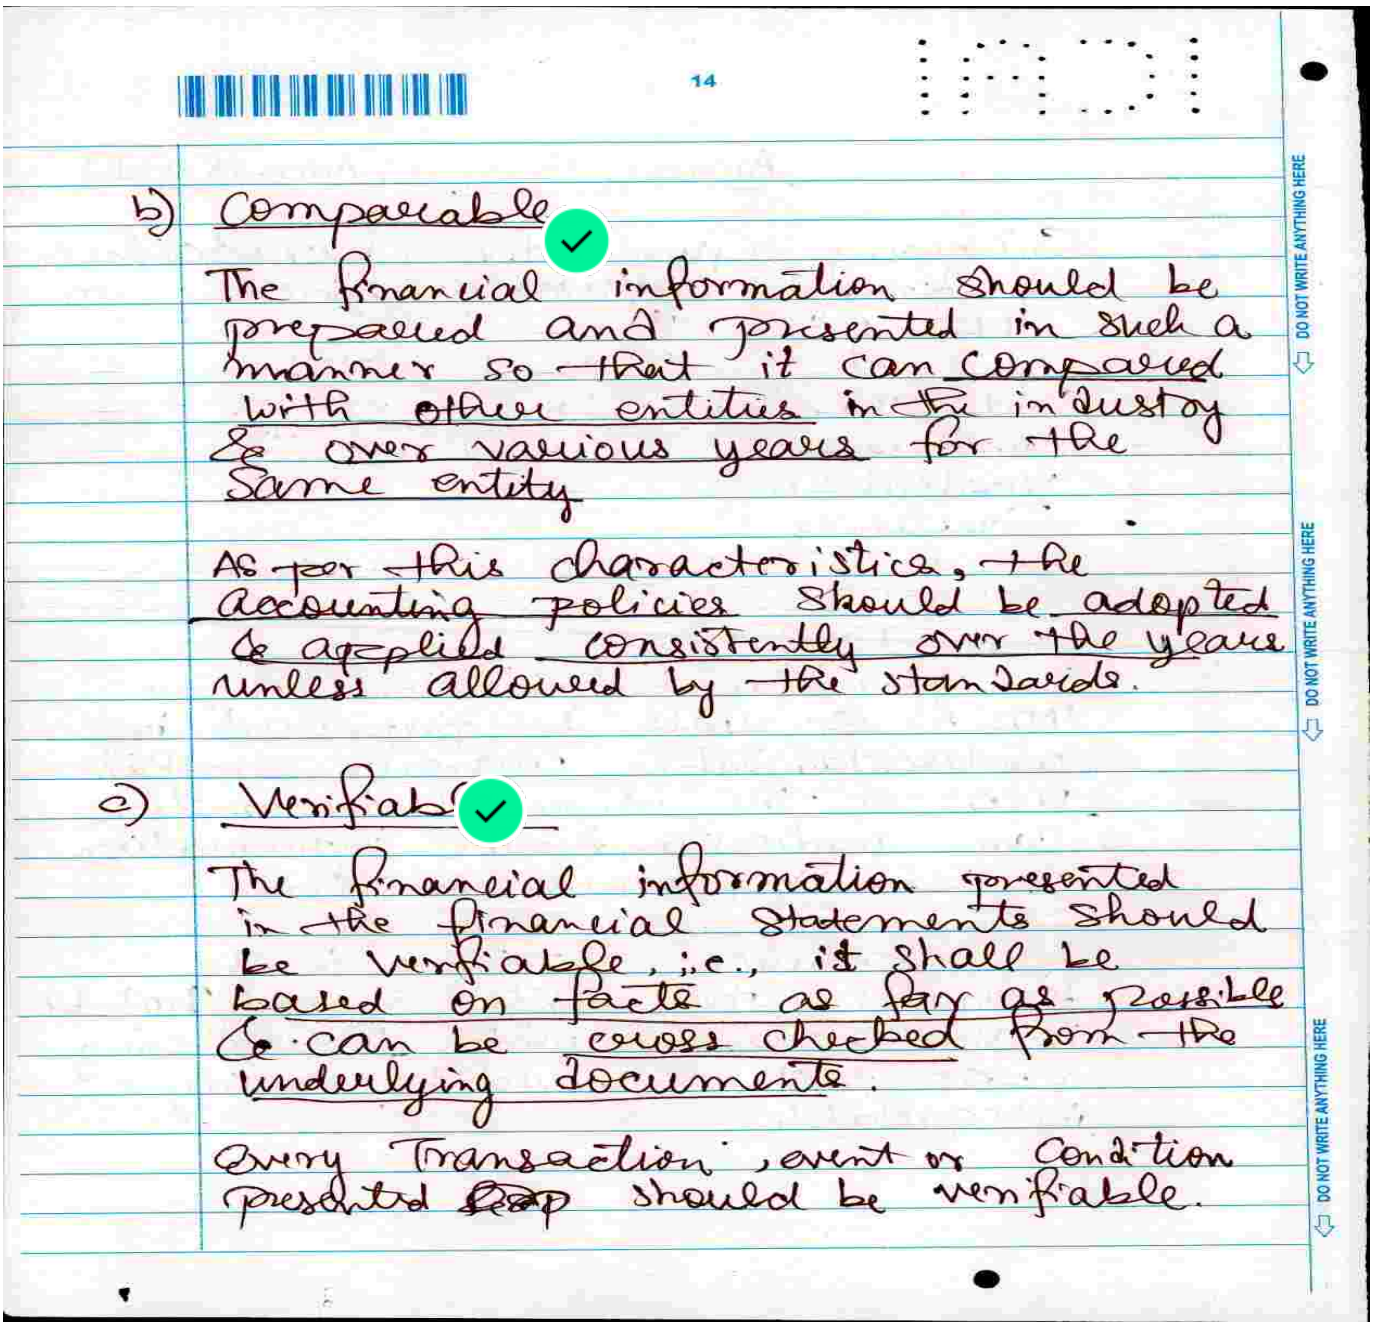

The financial information as per IND AS shall be prepared in understandable manner so that users of the financial information can understand the information & take informed decisions

The information contained in the financial statements should not be in such a manner which is confusing & ~~that~~ it should be easily interpretable

DO NOT WRITE ANYTHING HERE

DO NOT WRITE ANYTHING HERE

DO NOT WRITE ANYTHING HERE

14

b) Comparable

The financial information should be prepared and presented in such a manner so that it can compared with other entities in the industry & over various years for the same entity.

As per this characteristics, the accounting policies should be adopted & applied consistently over the years unless allowed by the standards.

c) Verifiable

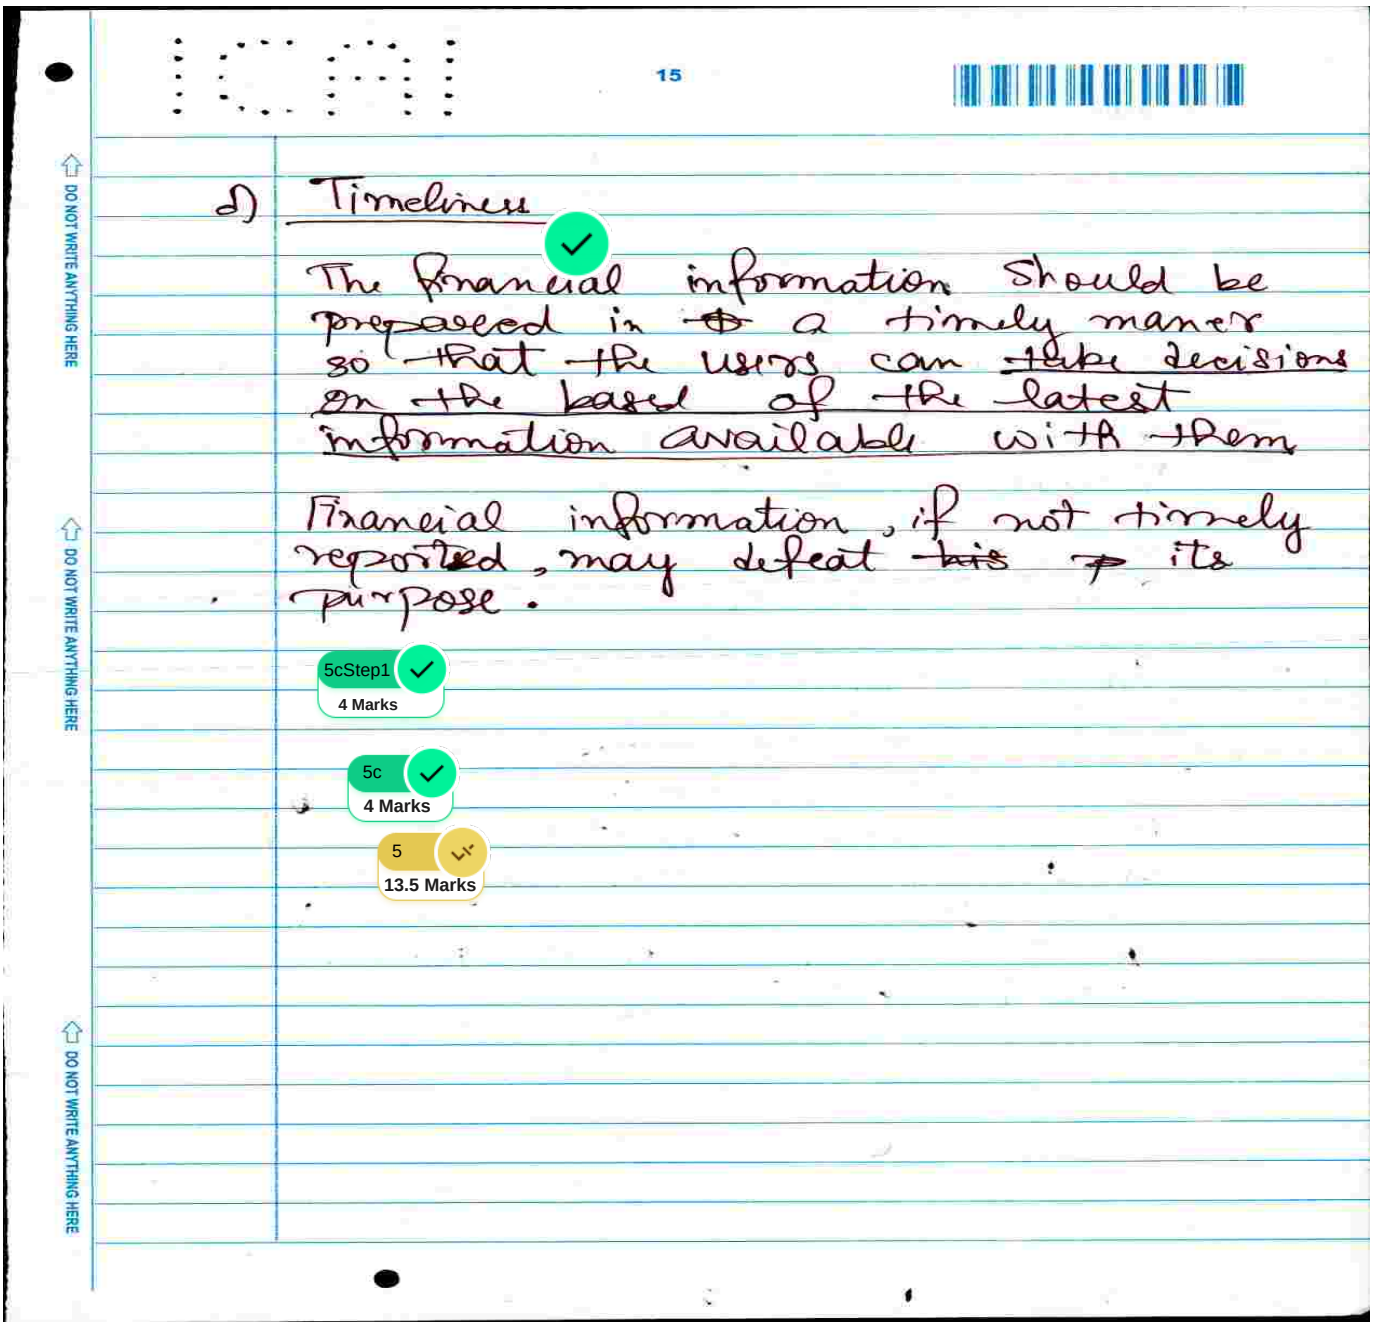

The financial information presented in the financial statements should be verifiable, i.e., it shall be based on facts as far as possible & can be cross checked from the underlying documents.

Every Transaction, event or condition presented should be verifiable.

DO NOT WRITE ANYTHING HERE

DO NOT WRITE ANYTHING HERE

DO NOT WRITE ANYTHING HERE

15

d) Timeliness

The financial information should be prepared in a timely manner so that the users can take decisions on the basis of the latest information available with them.

Financial information, if not timely reported, may defeat its purpose.

Answer 6a

Cloud computing

It means where the data is uploaded on the virtual cloud & it can be accessed from anywhere and anytime through use of Internet

It facilites scalability, accessibility, security and reduces cost involved.

Common applications

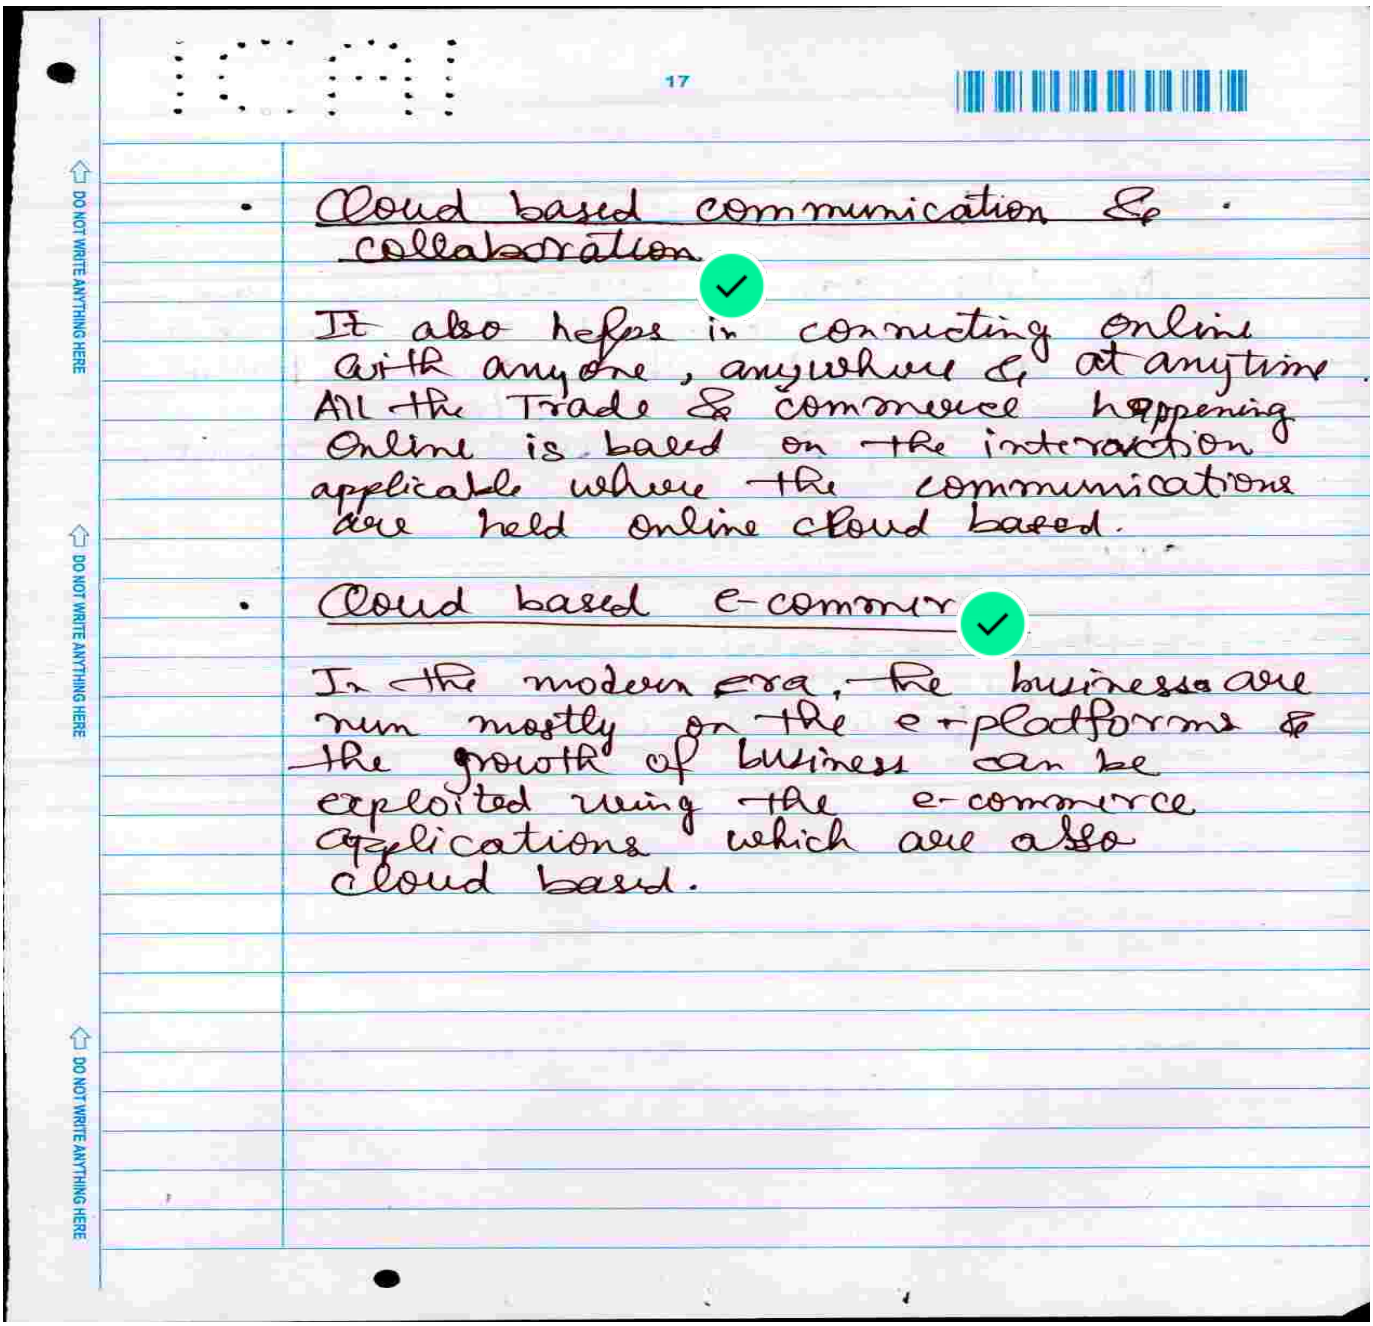

- Big Data Analytics

One of the most important application is Big Data Analytics. Large amount of financial & other data can be analysed in very less time by the application & useful information can be extracted.

Answer 6b

→ As per [IND AS 23], borrowing cost, the capitization shall be ceased when

→ the asset is ready for use intended by the management, i.e., substantially all activities for the construction are completed

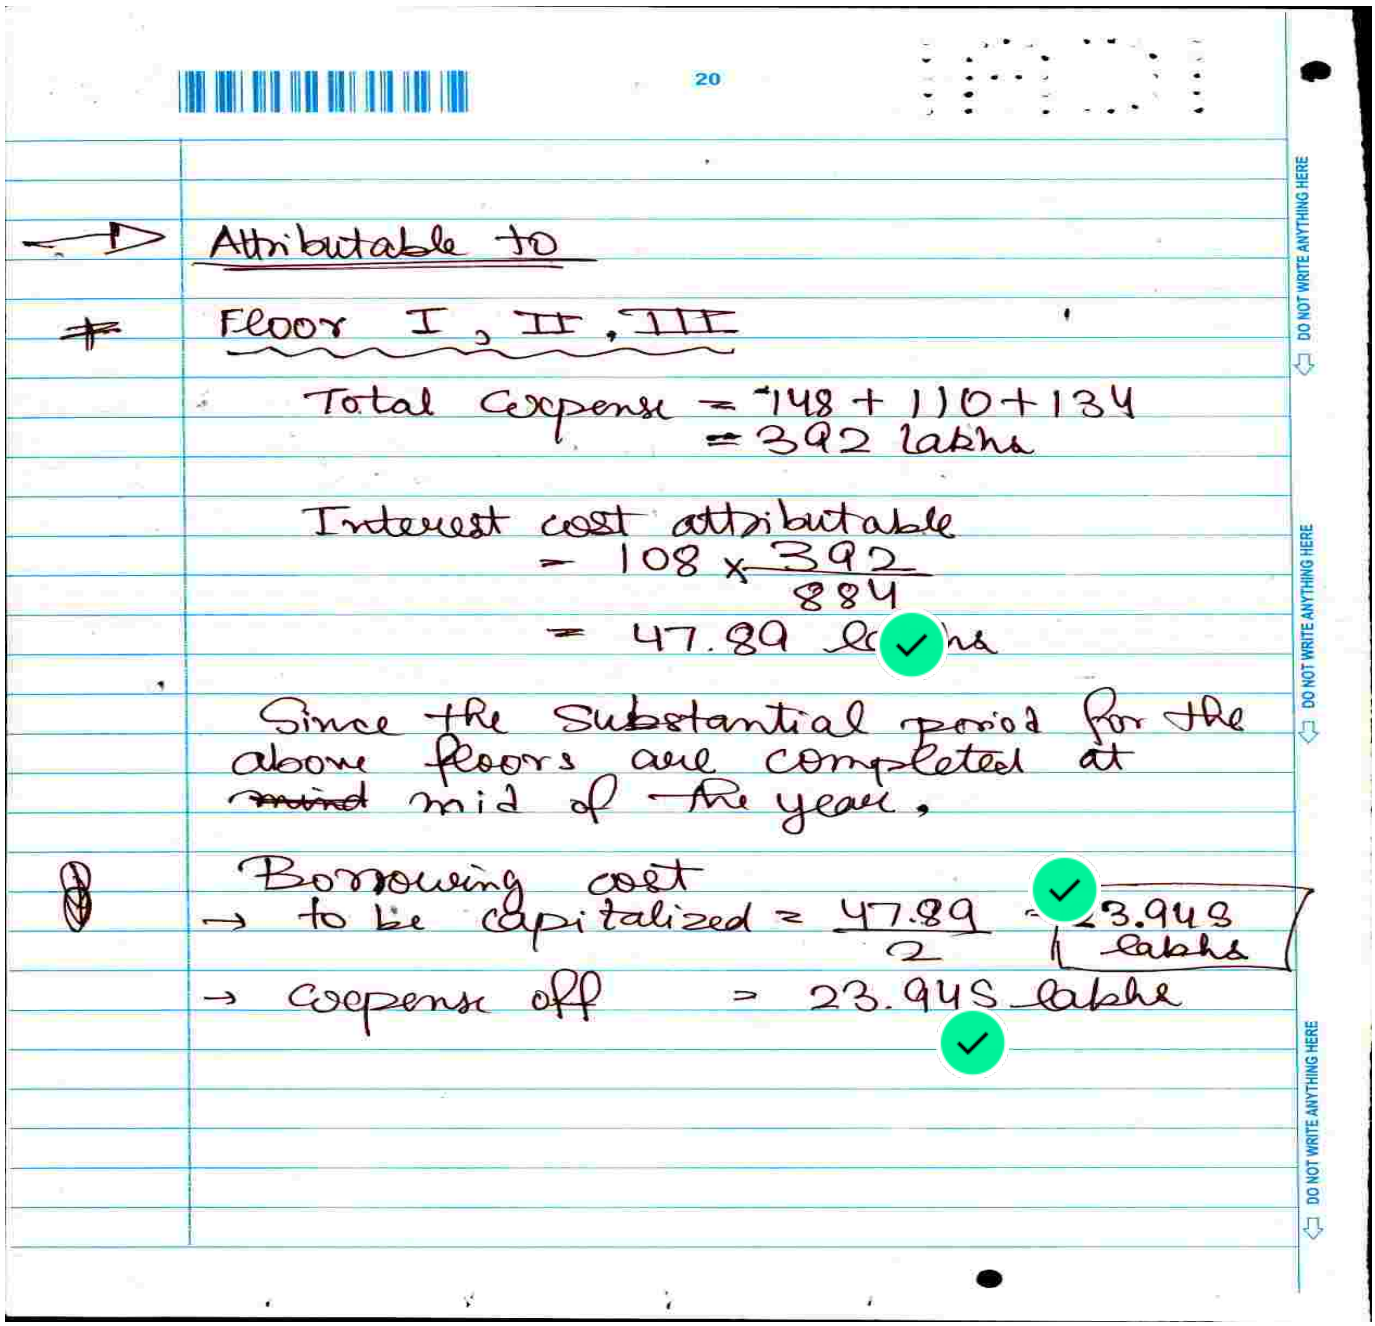

or

→ borrowing cost is stopped from incurring

whichever is earlier.

Total Interest expense
= 900 lakhs × 12%
= 108 lakhs.

DO NOT WRITE ANYTHING HERE
DO NOT WRITE ANYTHING HERE
DO NOT WRITE ANYTHING HERE

20

Attributable to

Floor I, II, III

Total expense = 148 + 110 + 134
= 392 lakhs

Interest cost attributable
= 108 × 392/884
= 47.89 lakhs

Since the substantial period for the above floors are completed at ~~mind~~ mid of the year,

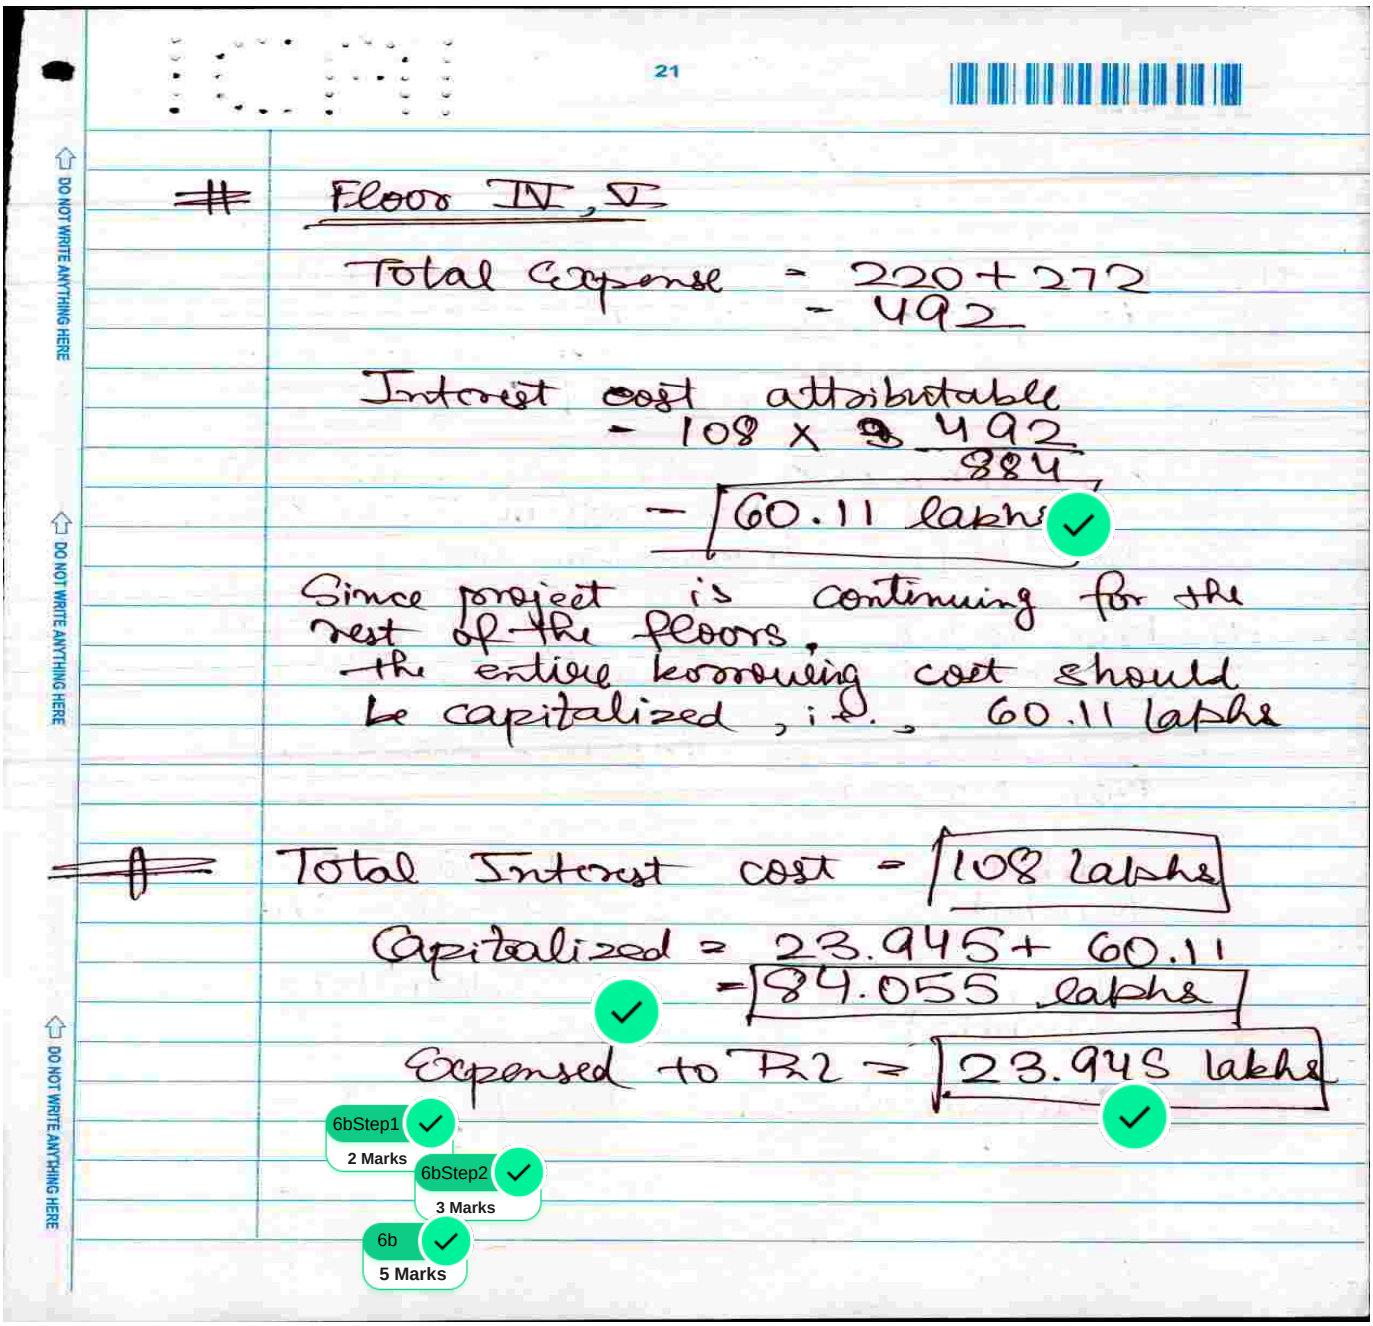

Borrowing cost
→ to be capitalized = 47.89/2 = 23.945 lakhs

→ expense off = 23.945 lakhs
